

PHOTO CONTEST

Beyond 100: The Future of NY's Counties

As part of our annual celebration of National County Government Month, NYSAC is holding our fifth annual county photo contest.

This year's theme is **Beyond 100: The Future of New York's Counties!** As NYSAC celebrates our centennial year, we are looking ahead to the next 100 years of county government service.

To enter, simply email photos and information to NYSAC Multimedia Specialist Kate Pierce-Nimz at kpierce@nysac.org.

Five winning photographs will be chosen for publication in the summer edition of the NYSAC News magazine, featured in NYSAC's annual "Counties in Focus" Calendar, and highlighted on social media.

Inspiration

Innovation & Infrastructure – Counties embracing technology, new public transit solutions, 911 call centers, EMS and emergency response, innovative government services, new bridges & roads, broadband expansion, public works projects.

Sustainability & Green Initiatives – Sustainability initiatives, EV charging stations, parks and green spaces, community gardens, and environmental conservation efforts.

Community Growth & Revitalization – Main Street renovations, historic buildings being repurposed for new uses, new businesses and housing developments, and public spaces being reimagined.

The Next Generation of County Leadership & Residents – Youth engagement in government, new county employees, students learning about civic responsibility.
