NYSAC Values Your Support!

New York State Association of Counties' (NYSAC) mission is to **foster excellence in county government and unite the voice of New York's county leaders.**

New York State Association of Counties (NYSAC) and its members value the support and participation of private sector companies that do business with county government. Your support enables our members to engage in training and education that is needed and allows your company the opportunity to develop and strengthen partnerships that offer solutions for our members.

Why Exhibit & Sponsor with NYSAC?

Our exhibitor and sponsorship packages offer companies the opportunity to market their products and services to county officials from across the state. Your employees will have the opportunity to network with our members, represent your brand in a county community and interact directly with local government decision makers. Your brand will be included in conference materials and signage throughout the event as well as other key outlets based on your level of participation.

Who is Your Audience?

Over 2,000 people attend NYSAC events each year. Our attendees are decision makers and department heads from counties in New York State and are highly active consumers in almost every industry.
